The Authority of Jesus

Luke 4:31-44

Still very early on in his ministry, Jesus encounters some supernatural opposition and illness. Here we begin to see the authority of Jesus over both the natural and supernatural realms. Do we have this authority?

Growth Group Questions

Today we are reading about Jesus' authority over illness, what was the sickest you've ever been?

Discuss Sunday's message, what stood out to you & what will you want to remember moving forward.

Concerning demons, what were you raised to believe & what do you believe now? Have you had any encounters with demonic forces? Explain.

READ Luke 4:31-37 Going back through each verse one at a time, discuss what stands out to you.

Have you ever personally witnessed supernatural healing? Tell your story.

READ Luke 4:38-44 verse by verse stopping to discuss what stands out to you after each verse.

Explain your beliefs on miraculous healing - Do you believe God still heals? Are there people with the gift of healing? Why does He heal some & not others?

Why do you think it is we don't see more healings in The Orchard? What do you think would lead to more healings in our church?

Who here needs healing? Let's put today's reading into action and as a group, lay hands on them and pray for them to be healed in Jesus' name.
