We are Collecting Seed Bucks This Week!!!

This week we are going to help a single mom in our community with some of her utility bills. Look for the buckets around the church.

Give what you can - together we make a difference!

We need to hear from you! If you know of a need in the community, you can find a request form by the offering box, or submit a need by emailing Kara.

Keep your eyes open for opportunities for us to practice generosity together!
