Tabernacle Worship

Exodus 35:20-21; 40:34

“OK class, lets go through each stage of the tabernacle” – BORING!!... what could be more boring than that? Hold on, we are going to see how in fact there is a right way and a wrong way to worship. God still cares that it be done right. We will explore why, how and what this means to each of us.

This will be a new look at an ancient process that has everything to do with experiencing God in our day in our way.

Scripture - Ask the lord to lead you to the specific part of the scripture that is for this time; often it will be a phrase, single verse or several verse.

Observation - What are you seeing in these specific verses - make all the observation you can about what the verses say and mean.

Application - Ask the Lord to show you how these verses apply to today’s world, our community, our church your life in general and today in particular.

Prayer - Turn your scripture, observations and application insights into a prayer asking God to specifically bring about this word into your life today.

These verses apply to next weeks’ sermon. Use the SOAP method of Bible Study with the verses on the left before next Sunday for in-sights into next Sunday’s Message:

- Day 1: Luke 7:3.6-50
- Day 2: John 14:15-21 Memorize v15
- Day 3: Psal 95:1-7 v6
- Day 4: Philippians 2:10-11
- Day 5: 1 Peter 5:6
